Waterpark Rules (continued)

Swim Test

Guests ages six (6) through twelve (12) are required to pass a swim test. If they pass, they may swim without direct supervision. Guests passing the swim test will be issued a wristband from the lifeguard.

- All skills are unassisted. Swim the length of the family pool with a reasonably good stroke without stopping. Tread water for two minutes and float on your back for three minutes. If the guest grabs the wall or touches the bottom of the pool, the guest will not pass the test.
- One test per day per guest.
- After passing the test, the lifeguard will issue a wristband to be worn at all times when in the swimming pool area.
- Guests must wear the provided wristband in order to swim without direct supervision. If the guest loses or does not bring the wristband another swim test will be required.
